## GOD'S SUPERNATURAL WORK

This preaching plan covers Easter and Pentecost, and we are going to continue our 'Healings and Miracles' series. The resurrection of Jesus Christ and the outpouring of God's Holy Spirit are miraculous!

### **Do you want to experience a miracle?**

Each one of us can experience a wonderful miracle: salvation from sin and reconciliation with God. As Jesus died upon the cross, He bore the punishment of all sin: past, present and future. His arms were stretched wide symbolising that He was giving His life for the whole wide world. Through giving our sins and ourselves to Him, we experience the miracle of being born again.

### **Do you want to experience another miracle?**

Once we are saved from our sin, we can also experience another great miracle. At Pentecost we celebrate the Holy Spirit filling the believers, and each one of us can experience the glorious miracle of being filled with God's Spirit. In Luke 11:13 Jesus said: *"Your Father in heaven will give the Holy Spirit to those who ask Him."*

### Do you want to experience more miracles?

In Romans 8:11 St Paul writes about the power of the Holy Spirit that raised Jesus Christ from the dead living in us! God's Spirit wants to work through us to enable more people to experience the miracles of salvation, of being filled with the Spirit, of healing, of freedom from addictions, and so much more.

We are seeking to be a supernatural church, so in this 'supernatural season' let's expect to experience more of God's miracle working power within us.

May we witness God's supernatural power flowing through us and doing glorious miracles in the lives of others.
